

Mr + Mrs John H. Day  
1912

According to an article in the August 2, 1912 issue of the *Indianian* "Cyclone hit Cassin and vicinity" showing their house as opposed to "Gardner's Day (or Helen Jane Day) who had her house hit by winds." See accounts by Great Aunt Martha being in a school class from this region.

My Aunt Jane  
Day

Day 1919  
Storm damage

John's house blown off its foundation
