We want to express our  
sincere thanks for the  
help of all in making  
this, our first Daily  
Vacation Bible School  
the success that it has  
been. Some sickness and  
rain have cut down our  
attendance somewhat.

We all appreciated the  
refreshments furnished  
by Mr. and Mrs. Gus  
Norton, and we say a  
hearty "Thank You".

If any name has been omitted or misspelled we are sorry.
