ANNUAL STAFF

This year the Annual Staff consists of: Reading from left to right; Louise Holderness (Circulation Manager), Mr. Vincent (Annual Sponsor), Jimmy Moore (Photographer), Dixie Unruh (Advertising Co-Manager), Nelda Thompson (Co-Editor), Helen Armstrong (Co-Editor), and Sharon Unruh (Advertising Co-Manager). These six students have had the long, tedious job of producing the "Halls Of Monte", but they have enjoyed doing it, and they sincerely hope that the public will enjoy reading it as much as the staff did in assembling it.

The Annual is progressing
"Slow but Sure"

ANNUAL NEWS

The name that has been chosen for the annual by the students of the Montezuma High School was "Halls of Monte". The name that took second place was "Monte Chief". Some of the other names that were near the top were "The Tomahawk", and "The Indian Scout."

HOW DOES THE SCHOOL PAPER ORIGINATE?

GRIDIRON GAB
BY GARY

THE JOY OF BEING AN EDITOR

Getting out this paper is no picnic. If we print jokes, people say we are silly. If we don't, they say we are too serious. If we stick close to the office all day we ought to be around hunting material. If we go out and try to hustle, we ought to be on the job in the office. If we don't print contributions, we don't appreciate genius; And if we do print them, the paper is filled with junk. If we edit the other fellow's write-up, we're too critical; If we don't, we're asleep. If we clip things from other papers, we are too lazy to write them ourselves. If we don't, we're stuck on our own stuff. Now, like as not, some guy will say We swiped this from some magazine. WE DID!
